

Change Guides Train the Trainer Objectives

After completion of this option trainers will have the tools and knowledge necessary to present up to one day of change management training to others. This includes these topics:

- Understanding and Planning for Change
- Introduction to the Change Management 101 Model
- Navigating the Change Management Pocket Guide
- Exercises for 3 Tools

Coursework Requirements

Participants with **experience** as **trainers** in any discipline or with formal training on how to be a trainer:

- Trainer must attend the Change Guides Change Agent Certification course (either the 3 day course of the 1-Day Remote program)
- Trainer must attend one half of a day of additional training on how to present the materials to others

Participants with **no experience** as a trainer or formal training on how to be a trainer:

- Trainer must attend the Change Guides Change Agent Certification course (either the 3 day course or the 1-Day Remote program)
- Trainer must attend one full day of additional training on how to present the materials to others

What the Train the Trainer Program Costs

- Trainers must pay the Change Agent Certification program cost (generally \$2500 per person, but lower if registered by early registration date or more than one person from an organization attends).
- Trainers must pay an additional amount for the Train the Trainer portion of the training.

- Experienced Trainers - an additional \$1000
- Inexperienced Trainers - an additional \$2000
